

Contents

Preface	V
1 Introduction and Preliminary Remarks	1
Overview of the Ten Chapters and the Appendices ..	1
The Tongue Reflects all the Basic Phenomena of Chinese Medical Teachings	2
Documentary and Clinical Prerequisites	3
Significance of the Tongue for the Human Individual and Mankind	3

Foundations

2 History and Scientific Foundations of Tongue Diagnosis	6
Historical Aspects	6
Relationship between Tongue, Vessel Pathways (<i>Jing Mai</i>), and Internal Organs (<i>Zang Fu</i>)	7
Anatomical and Physiological Foundations (Cf. Figs. 5–16)	14
Illustrated Anatomical Structures (Figs. 6–16)	27

Methodology of Tongue Diagnosis

3 The Technique of Tongue Diagnosis	44
4 Systematic Procedure of Tongue Diagnosis	45
The Body of the Tongue	48
The Shape of the Body	54

The Consistency of the Tongue	62
The Coating of the Tongue	67
Summary	81

Clinical Part

5 Clinical Applications	84
Preliminary Remarks	84
The Light White Tongue	86
The Red Tongue (1)	88
The Red Tongue (2)	90
The Dark Red Tongue	92
The Bluish-Green and the Purple Tongue	94
The Purple Tongue (2)	96
The Wrinkled, Rough Tongue	98
The Tender and Fine Tongue	100
The Swollen Tongue (1)	102
The Swollen and Red Tongue (2)	104
The Thin, Small Tongue	106
The Dark Red, Thin, and Small Tongue	108
The Fissured Tongue	110
The Tongue With “Tooth Marks”	112
The Granular Tongue (Granular Papillae 1)	114
Granular Papillae (2)	116
Granular Papillae (3)	118
Granular Papillae (4)	120
Granular Papillae (5) on the Tip	122
The Weak, Frail Tongue	124
The Hard, Rigid Tongue (1)	126
The Hard, Stiff Tongue (2)	128
The Slanting or Oblique Tongue	130
The Trembling Tongue	132
The Shortened or Shrunken Tongue (1)	134
The Shortened or Shrunken Tongue (2)	136

The Restless, Protruding Tongue	138
The White Coating (1)	140
The White Coating (2)	142
The White Coating (3)	144
The Yellow Coating (1)	146
The Yellow Coating (2)	148
The Ash-Gray or Black Coating (1)	150
The Ash-Gray or Black Coating (2)	152
The Thin Coating	154
The Thick Coating	156
The Moist Coating (1)	158
The Very Moist or Watery Tongue	160
The Dry Coating (1)	162
The Dry Coating (2)	164
The Loose Coating	166
The Sticky Coating	168
Empty Patches on the Tongue (“Map Tongue”) (1) .	170
Empty Patches on the Tongue (“Map Tongue”) (2) .	172
Empty Patches on the Tongue (“Map Tongue”) (3) .	174
The Missing Coating	176
The Missing and Black Coating (1)	178
The Missing and Black Coating (2)	180
The Missing and White Coating	182
The Thin, White Coating	184
The Missing Coating with Red Tongue Body	186
The Red and Dry Tongue	188
The Amorphous (Shapeless) Tongue	190
Pathological Appearance of the Tongue (1)	192
Pathological Appearance of the Tongue (2)	194
Pathological Appearance of the Tongue (3)	196
Pathological Appearance of the Tongue (4)	198
Pathological Appearance of the Tongue (5)	200

6	Typical Topographic Changes of the Tongue in Relationship to Syndrome Differentiation (<i>Bian Zheng</i>)	203
7	Assessment of the Course of a Disease by Application of Tongue Diagnosis	229
	Case 1: Life-Threatening NonA, NonB Hepatitis (Fig. 145a–i)	230
	Case 2: Chronic Lower Back Pain Resistant to Treatment (Fig. 146a, b)	234
	Case 3: Hypermenorrhea and Metromenorrhagie (Fig. 147a, b)	236
	Case 4: Hemiplegia after Cerebral Hemorrhage (Fig. 148a, b)	238
8	Tongue Differentiation in Headache Patients	241
	A Clinical Study of 14 Cases	241
	Case 1 (Fig. 149)	242
	Case 2 (Fig. 150)	244
	Case 3 (Fig. 151)	246
	Case 4 (Fig. 152)	248
	Case 5 (Fig. 153)	250
	Case 6 (Fig. 154)	252
	Case 7 (Fig. 155)	254
	Case 8 (Fig. 156)	256
	Case 9 (Fig. 157)	258
	Case 10 (Fig. 158)	260
	Case 11 (Fig. 159)	262
	Case 12 (Fig. 160)	264
	Case 13 (Fig. 161)	266
	Case 14 (Fig. 162)	268

9	Modern Research on Tongue Diagnosis	271
	The Appearance of a Normal Tongue	271
	Changes in the Appearance of the Tongue	271
	Changes of the Coating of the Tongue	274
10	Summary and Outlook	276

Appendix

	Selected Bibliographical References	280
	Figure Sources	282
	Food Groups According to the Five Elements	283
	The Groups of Chinese Materia Medica	289
	List of Chinese Materia Medica	292
	Alphabetical List of the Chinese Materia Medica	293
	Index	304
